HISTORICAL NOTE

Richardson County is located on the Missouri River in the southeast corner of Nebraska. The county underwent temporary organization as one of the eight original counties on November 23, 1854, by Acting Governor Thomas Cuming. At that time, it included parts or all of present day Pawnee, Johnson, and Nemaha counties. The county was officially organized and geographically defined by an act approved on March 7, 1855, and the first county officials took office in 1856. The county was named for William A. Richardson, an Illinois congressman who actively supported the organization of the Territory of Nebraska and who, in 1858, became Nebraska's fourth Territorial Governor.

Richardson County was the scene of one of the more actively fought county seat struggles in Nebraska. The original seat, Archer, was located on the Half Breed Tract, established in 1830 by the Treaty of Prairie Du Chien. This fact was not discovered, however, until the U. S. Surveyor General's teams had finished surveying the county in 1857. The county seat, therefore, could not legally be established on this site. From 1859-1871, it was contested for by Rulo, Salem, Arago, and Falls City. It was finally located permanently at Falls City in 1871 by an election held October 10, 1871.

The bulk of the collection consists of the tax lists and assessment schedules for Richardson County, 1861-1970. The Treasurer's Subgroup is divided into five series including: 1) Tax Lists, 1861-1970; 2) Delinquent Tax Lists, 1865-1937; 3) Tax Sale Records, 1864-1922; 4) School Land Records; and 5) Special Tax Ledgers and Miscellany. There is no accurate inventory for volumes 200-298 of the tax lists, series One. Patrons are directed to the microfilm record filed in the west reference room.

After initial filming of the Delinquent Tax Lists, a volume (10) of this record was discovered at our off-site storage facility. This subseries of Series One has been reinventoried to show proper sequence of records. The volume numbers do not reflect the order in which they were originally filmed. You can find the volume number on film in parenthesis following the new designated volume number. The volume missed in the first filming are available in original format.

Subgroup Two, Assessment Records, were microfilmed by the Historical Society in 1989. Included are precinct assessment schedules for real estate and personal property valuations, 1870-1906; Real Estate precinct assessments, 1908-1950; and Personal Property precinct assessment valuations, 1910-1950 and five year samples, 1955-1970. Subgroups One & Two, Assessments, are on microfilm and can be found in the James C. Olson Reference Room filed with other county microfilm under RG245. After 1960, only five year samples of Tax Lists are sent to the State Archives for storage. Excepting the one volume for 1965 on microfilm, the volumes for 1965 & 1970 have not as yet been filmed.

The proceedings of the County Board of Supervisors, Subgroup Three, are unfiled and span the years 1895-1916. Included in these records is information on the county seat fight, 1860, and a militia list for 1882. Also included is a Claim Register (Fee Book), 1876-1891. Miscellaneous records of special commissions, 1967-1979, were accessioned in March of 1989.

Of particular interest in the records of the County Clerk's office, Subgroup Four, are one of the earliest Mark and Brand records for the state, 1857-1917, and a volume of notarial appointments for Richardson County, 1857-1872. Additional material was accessioned in March of 1989 including Bond Registers, 1870-1951; a volume relating to railroad incorporations, 1868-1870; medical registers, 1881-1942; and motor vehicle registers, 1915-1916 and 1924-1927. Included in Series Two of this collection are the Election Records for Richardson County, 1861-1870.

Series one of this collection consists of the marriage records of Richardson county on microfilm produced by the Genealogical Society of Utah in October 1995.

Subgroup Five, Register of Deeds, contains the Numerical Indices for Richardson County from 1855-1960.

Subgroup Six, County Court, consists mainly of Justice Dockets and Probate Court Dockets including probate, estates, guardianships, civil, and criminal causes in Richardson County, 1858-1959. This subgroup is divided into seven series: 1) Probate Records, 1859-1931; 2) Court Calendars and Trial Dockets, 1856-1904; 3) Municipal Dockets, 1874-1876; 4) Justice Dockets, 1855-1959; 5) Court Dockets, 1870-1920; 6) Miscellaneous Volumes, 1875-1932; and 7) Marriage Records, 1855-1872. Included in the miscellaneous volumes are two attorney's dockets for the county, 1923-1932.

Subgroup Seven, accessioned February 23, 1989, contains the records of the county District Court, 1856-1947. This subgroup is divided into nine series: 1) Naturalization Records, 1857-1954; 2) General Index and Calendars, 1858-1930; 3) Appearance Dockets, 1859-1934; 4) Complete Record, 1864-1932; 5) Daily Journals, 1857-1934; 6) Civil Case Files, 1856-1908 and Bills of Exception, 1885-1941; 7) Criminal Case Files, 1857-1928; 8) Judgement and Execution Dockets, 1859-1940; and 9) Miscellaneous Dockets, 1869-1947. Additional civil case files have been added to this series for the years 1909-1929.

There are currently no records in storage for Subgroup Eight, Superintendent of Schools.

Subgroup Nine consists of one volume of School District #82 treasurer's records, 1889-1892. School land and district fiscal records are included in Series One.

Subgroup Ten consists of one small box of Rulo Bridge materials, 1937-1978.

The records of Richardson County were transferred over a period of years from the various county offices, 1973-1990.
