

Wyuka Cemetery (Lincoln, Ne.) Interments 1877 - Feb 1881

The following list appeared in the 24 April 1881 *Daily State Journal*, with the accompanying article.

Many thanks to NSHS volunteer Scott Argabright, who assisted greatly with the transcription of this list. These listings pre-date the Wyuka burial cards, which are part of the Secretary of State records group.

THOSE WHO SLUMBER

List of the Buried in Wyuka Cemetery

We present below a complete census of the inhabitants of our adjacent city of the dead. It is pleasant to know that the resting place of our departed is cared for and beautified in a manner that reflects great credit upon its custodians. The burden is a public trust, and is most efficiently discharged.
